UNITED STATES INTELLIGENCE BOARD

1 February 1962

MEMORANDUM FOR : AD/SI

ATTENTION : [   ]Nuclear Energy Division 25X1A

SUBJECT : Release to NASA of Restricted Data Version
of SNIE 11-14-61, "The Soviet Strategic
Military Posture, 1961-1967"

1. The United States Intelligence Board on 17 January approved release of the subject estimate to the Administrator and Deputy Administrator, NASA, for their personal review (USIB-M-196, item 6, final paragraph).

2. Since your office normally handles Restricted Data material, as well as the transmission of data to authorized recipients, it is requested that you forward to Mr. Webb one copy of the above estimate, together with the attached letter which is addressed to him.

3. Please advise us as to the date the estimate is transmitted to NASA.

Mr. James E. Webb
Administrator
National Aeronautics and Space Administration
1520 H Street, N. W.
Washington 25, D. C.

Dear Mr. Webb:

        As authorized by the United States Intelligence Board (USIB) we
forwarded to you on 24 January certain national intelligence estimates
responsive to interests of the NASA, including a Top Secret, Formerly
Restricted Data version of SNIE 11-14-61, "The Soviet Strategic Military
Posture, 1961-1967." In a related action the Intelligence Board agreed
that a Top Secret, Restricted Data version of this paper should also be
furnished to you and Dr. Dryden, for personal review. Pursuant to that
Board decision we are forwarding the attached paper, with the understand-
ing that it will not be made available to any NASA personnel other than
yourself and Dr. Dryden.

        In transmitting this special estimate containing Restricted Data, it
is also our understanding that you and Dr. Dryden possess "Q" clearances
and have appropriate facilities for the storage of such material.
                                        Sincerely,

                                                                    25X1A

Enclosure

(This letter may be downgraded
to Secret when separated from
enclosure.)

                                                                    25X1
